

**TEEPOS**

**TEEPOS protects your data and gives you full control over it. Your data is stored off-site and can be accessed whenever you want. Many businesses are choosing the mobility and simplicity of our cloud-based POS platform over traditional alternatives.**

## Positive Features:

- View your reports and sales data in real-time using any device.
- We're constantly creating new features to keep your business up to date with free automated software updates.
- Manage inventory of all sizes and always get notified when you run out of stock.
- Continue working in offline mode and your data will sync once you're back online.
- Add items, monitor sales, and get insights anywhere, anytime.
